In order to have such activities we need a contact person or spokesperson for each of the groups.

Also to get the ball rolling, please send me an e-mail or phone me (contact info at the top of this page) to let me know which group you would like to join and if you would consider leading (or share in the leading of such group).

Would you be willing to begin a new activity for our membership? If yes, please provide me with your contact information:
