Councillors/Trustees for the City of Toronto Toronto Members of Parliament, Toronto Members of the Legislative Assembly

In a democratic society, the communication of citizens' points-of-view to elected representatives is vital. Our Supplement should assist you.

Notes:

- 1 Toronto Riding/Ward map on Page 12.
- 2 Federal and Provincial Ridings do not match, exactly, the Toronto Wards because of redistribution. Ward numbers are on the map and, as closely as possible, show their relationship to the corresponding Federal riding.
- 3 Toronto District School Board (TDSB) trustees areas match pairs of City Wards. Parallel listings should assist in identifying common jurisdictions.
- 4 Toronto Catholic District School Board (TCDSB) trustee areas somewhat overlap legacy city boundaries. Listings for these trustees begin below.
- 5 See Page S11 for Political Party contacts.
