## Your CITY OF TORONTO Political Representatives

In a democratic society, the communication of citizens’ points-of-view to elected representatives is vital. The information in this insert will assist you. Note that the Federal Ridings, because of redistribution, do not now match exactly Toronto Wards as the Provincial Ridings do. Adding the new Federal ridings to the map would have made it most complicated. Ward numbers have been inserted to match, as closely as possible, the corresponding Federal riding.
